

State Staff Update:

ACMPE Webpage Checklist:

- As requested, we put together some helpful links when compiling your website pages for ACMPE. These are just suggestions. For more resources to include, such as testimonial videos, graphics, ect. Please refer to the ACMPE Champions Community.

ACMPE Champion Member Community:

- A new member community has been created where all ACMPE Champions will be housed, including: ACMPE Forum Reps, State Staff, State Presidents, and ACMPE Champion Volunteers.
- The member community will include resources such as: Ads, social post examples, fliers, testimonial videos. Anything can be shared digitally or used on website/social posts. More will be added shortly.

LOP Testing:

- Live online-proctored testing **started on Friday, 8/14.**
- Registrants currently have the option for on-demand testing at over 500 Scantron testing locations, or **until January 1, 2021** may select Live online-proctored format from the safety of their homes.
- As a reminder, on demand testing means there are no longer exam cycle dates to be made aware of.

BOK Updates:

- The new BOK resources will be released next month, October, and will include:
 - Study Guide
 - Workbook
 - Practice Assessment (*Mock Scenario-based and Multiple-Choice Exam*)
 - Preparation Series (Updated)
- The ACMPE Board Certification examinations will begin reflecting the new BOK framework December of this year.
- This information has already been released to all members, and can also be found on our website by visiting our [Body of Knowledge page](#).
